

Form LB2: Declaration and Exemption

Equines from Western Australia travelling to the Northern Territory and returning within 28 days of departure

Biosecurity and Agriculture Management Act 2007 (BAMA) and Biosecurity and Agriculture Management Regulations 2013

This declaration provides evidence for the exemption of the described Western Australian equines travelling to the Northern Territory and returning within 28 days or less, from inspection by an authorised inspector for declared plant material and exemption of the transport vehicle from washdown on re-entry into Western Australia.

Directions for this form:

- Complete both Table 1 and the declaration on page 2 and 3.
- Page 2 of this form is to be attached to the completed species-specific Form LB1: [Health certificate for movement of stock to Western Australia](#).
- Forms LB2 and LB1 should be emailed to the relevant WA Entry Inspection Point (below) at least 3 days before arriving at the WA border checkpoint and signed copies must accompany the livestock.

Declaration

I,				(full name)
of			(address)	(PIC)
Telephone:			Email:	
<p>being the owner/manager of the animals described in Table 1, declare that:</p> <ol style="list-style-type: none"> The animals departed Western Australia on _____ travelling in vehicle registration number _____ and are being returned to Western Australia in the same vehicle While out of Western Australia, the animals: <ol style="list-style-type: none"> Were kept only in the Northern Territory and for a period of less than 28 days Were at all times confined to stables and area areas located at _____ Had no access to food other than that fed by hand The animals were groomed within 24 hours immediately prior to returning to Western Australia There is no fodder or bedding accompanying the equines including the mane and tail, and all rugs and equipment accompanying them are free of weed seeds and burrs 				
Declared at				(address)
Date (day – month – year)				
			Signature of person making the declaration (digital signature or handwritten)	

Note: If, at the border checkpoint, the equines do not appear to be groomed, or there is fodder or bedding in the transport vehicle, or the transport vehicle, or the transport vehicle is not the same as that in which they departed, the animals will be quarantined and the driver of the vehicle directed to the closest inspection point for inspection of the equines and washdown of the transport vehicle.
The equines described above are not required to be further inspected and the vehicle with registration number above is not required to be washed down.
